The Invention of Solitude Quotes by Paul Auster - Goodreads 69 quotes from The Invention of Solitude: "The pen will never be able to move fast enough to write down every word discovered in the space of memory. Som. The Invention of Solitude - 3:AM Magazine I'm fascinated by the web being social and solitary at once, because there's so much more to it than the knee-jerk panic that often provokes. It resonates with Thoreau's solitude, mediated as it was by social calls and meals out and so on. There's actually a thriving network of hermits and would-be hermits online, people who live in solitude or wish they could or are just interested in. The Invention of Solitude by Paul Auster | LibraryThing The invention of solitude consists of two separate parts. Written from a very different view they both handle the relation between a father and a son. The first book, Portrait of an invisible man, is a very beautiful description of Auster's father.

The Invention of Solitude | Thoughts | Musings | Poetry ... A bottle empty in my hand A word I read not long ago Some thoughts I wrote on a single page And visions of things I do not know. The bottle was once half empty.
